By signing this application, I understand the program provides a \$50 rebate per tree given in the form of a credit on my utility bill and in order to qualify:

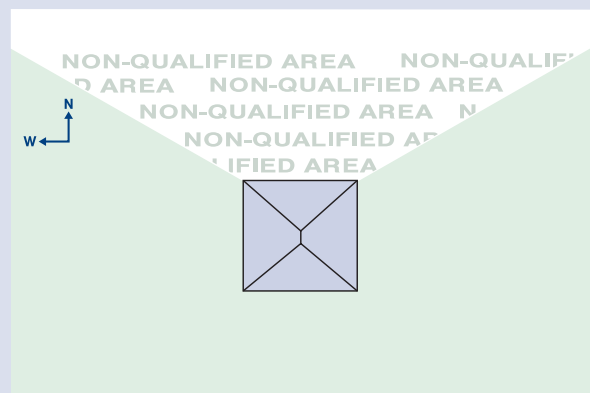

- I must purchase an eligible tree(s) AND plant it within 10-30 ft of my air-conditioned building on the west, south, or east sides.
- I understand that in order to qualify, a program representative may perform a visual inspection of planting site and I agree to be contacted in the future to track survivability.
- I understand that CPS Energy and the City of San Antonio are not responsible for any personal or property damage incurred by participation in this program and that CPS Energy and COSA do not ensure survival of the tree(s).
- I agree to follow the required Green Shade Maintenance Guide (see cpsenergy.com/treerebate) for the tree(s) planted.
- I understand that CPS Energy reserves the right to deny any rebate request, with no exceptions, if the application does not conform to the program qualifications, procedures, and specifications.

Your site plan should be as accurate and as close to scale as possible, paying close attention to details such as house orientation and location of air conditioning units. You **MUST** call 811 One-Call for utility locator service at least three business days prior to creating tree planting site plan and planting your trees.

You **MUST**:

- ✓ Plant tree(s) within 10-30 feet of air-conditioned buildings.
- ✓ Plant tree(s) **ONLY** on the west, south, and east sides of the building. Trees planted on the north side do not qualify.

In the box to the right, provide an accurate sketch of the proposed planting site. Please indicate the location of your trees using the number that corresponds with the species above. Write "FRONT" to indicate the front of your house/building. Use additional pages if necessary.
