

Texas Native Plants

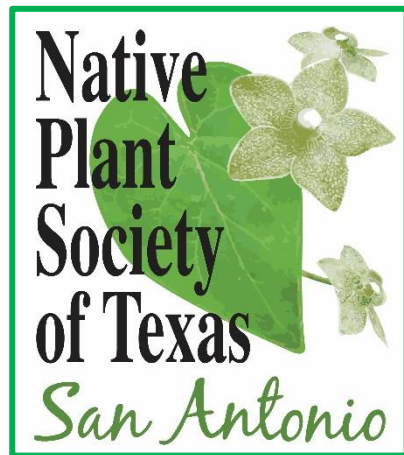

Identified with Pot Stickers

Saturday - October 28

10 a.m. – 3 p.m.

Fanick's Garden Center

1025 Holmgreen Road

Join the Native Plant Society and Fanick's to promote and educate our community about Texas Native Plants!

- Texas Native Plants at the nursery will be tagged with “pot stickers” ensuring it is native to our region.
- Native plant “tiny talks” on trees, species, soils, landscaping, butterfly gardens, wildlife habitat, plants for wildlife photography
- Book sales, presentations and signings by authors of “Remarkable Plants of Texas”, “Critters of the Heart, Winged Ones II” and “Texas Getting Started Garden Guide”
